

STATE TEAM SELECTION CRITERIA

The SA Section Executive has determined the following six criteria for eligibility for SA State Team selection for the 2004/2005 season and until further notice.

Selection Criteria

1. Selection matches start at the first STICS (State Team Inter-Club and Selection) Match after the SA State Championships and finish with the next SA State Championships.
2. The SA State Championships is considered to be a STICS Match with the additional requirements that it must be competed in and in the Division of intended team selection.
3. A Competitor must compete in 60% of the total STICS Matches to be eligible for SA State Team selection.
4. A Competitor must compete in the required number of STICS Matches in the Division of intended team selection.
5. A Competitors overall standing shall be determined by the average of his/her best STICS Match scores (Note 1) selected from the total number of STICS Matches competed in (Note 2). The number of scores included in the average shall be the required number of STICS Matches in accordance with Rule 3.

6. The SA Section Executive (Note 3) may vote to exempt a potential team member from any of the defined criteria if an application is made in writing to the Executive and when exceptional circumstances are considered to exist.

Note 1: For determining scored percentages STICS Matches shall have their results re-calculated to include competing SA Section members only.

Note 2: It is not compulsory to include the SA State Championships score in the average so long as the number of scores that are included is the same as the required number of STICS Matches.

Note 3: The SA Section Executive comprises the nominated Club Delegates, Deputy or Proxy, eligible to vote at each IPSC (SA) Incorporated general meeting.

Required STICS Matches (Rule 3)

Club-hosted STICS Matches	SA State Championships (Note 4)	Total STICS Matches	Required Number = 60% (Note 5)
3	1	4	2
4	1	5	3
5	1	6	4
6	1	7	4
7	1	8	5
8	1	9	5
9	1	10	6
10	1	11	7

Note 4: Must be competed in and in the Division of intended team selection.

Note 5: Must be competed in the Division of intended team selection.

Examples

After the 2004 SA State Championships, there are 7 club-hosted STICS Matches plus the 2005 SA State Championships making a total of 8 STICS Matches in the 2004/2005 qualifying period (Rules 1 & 2).

The required number of shoots is 5 (Rules 2 & 3) one of which must be the SA State Championships (Rule 2) and that number must be competed in the Division of desired State Team selection (Rule 4).

- > **Competitor A** competes in 3 club-hosted STICS Matches and the SA State Championships, total 4, so is not eligible for selection (Rule 3).
- > **Competitor B** competes in 5 club-hosted STICS Matches but misses the SA State Championships. He/she is not eligible for selection (Rule 2) unless exempted by vote of the SA Section Executive (Rule 6).
- > **Competitor C** competes in 4 club-hosted STICS Matches and the SA State Championships (Rules 2 & 3) all in the relevant Division (Rule 4) so is eligible for selection. Selection will then be by the average of all his/her 5 scores (Rule 5) after removal of non-SA Section members (Note 1).
- > **Competitor D** competes in 5 or more club-hosted STICS Matches and the SA State Championships (Rules 2 & 3) all in the relevant Division (Rule 4) so is eligible for selection. Selection will then be by the average of his/her best 5 scores (Rule 5) after removal of non-SA Section members (Note 1) and may or may not include the SA State Championships (Note 2).
